

# RECON > ROBOTICS

Introducing the **Recon Scout™**. Rugged, portable & remote-controlled, the Recon Scout™ provides immediate tactical reconnaissance when lives depend on it. Whether thrown through a window or stealthily inserted from 100's of feet away, the Recon Scout™ should be the first member of your team to enter a hostile or hazardous environment.

Members of the Bloomington, Minnesota SWAT team

- **Counter Terrorism**
- **Active Shooter**
- **Breach**
- **Narcotics Raids**
- **Hostage Rescue**
- **High Risk Warrant Service**
- **Barricaded Suspects**
- **VIP/Dignitary Protection**
- **Jail Riots**
- **Search & Rescue**
- **Vehicle Undercarriage Inspection**

The **Recon Scout™** is easy to use. It does not require specialized training to deploy and may be carried on a belt or tactical vest. The Recon Scout™ may be literally thrown into action to provide your team with critical intelligence in a dangerous environment in just seconds.

The **Recon Scout™** is durable. It will withstand 1,000+ G's of force when deployed. Its batteries may be drained and recharged hundreds of times before replacement. In short, the Recon Scout™ has been engineered to be the most dependable member of your team.
